20th ANNIVERSARY OF THE SANGAMON DISTRICT SALE

The Sangamon area surrounding Springfield, Illinois, has been rich in Shorthorn history and tradition for a hundred years. It is and has been the home of many of the breed's great herds, past and present. Nowhere have there been greater stock bulls in service. The herds of this area, large and small, have benefited by the ready availability of this superior stock.

No area in the nation has been responsible for as many International grand champions as the Sangamon District.

For the past 25 years a moving force in the promotion of Shorthorns through this region has been the Sangamon District Shorthorn Association. I have observed this personally as a fieldman for The Shorthorn World for the past 18 years. Early upon starting in this work I can remember my father telling me that the Sangamon breeders were not only progressive in their breeding programs, but also that there was no group more of a pleasure to deal with.

A spirit of friendly competition exists between these breeders. Each is proud . . . all strive to have the best . . . and this is what makes for progress in any area. They compete fiercely in the show ring . . . they cooperate 100% with each other on projects for breed advancement.

While herds like Elmcrest, Leveldale, Connieland, Klockenga, Miller, Steiger, to mention a few, all have an active schedule of their own, a focal point is the annual Sangamon District sale held each December at Elmcrest, Sangamon members have made this far more than a consignment sale. Because they have had a determination to make this one of the best sales of the breed. It is in essence a production sale of the tops produced in this area.

I have enjoyed thoroughly working with these breeders. I look forward to attending their sales . . . because of the friendly atmosphere . . . the good cattle and the enthusiasm of the breeders. If you've ever attended a Sangamon sale you'll know what I mean. If you haven't, it's time you did.

Don Longley

THE SHORTHORN WORLD

From cows like these come the entries to the Sangamon District Sale. This scene was taken at Elmcrest. In order to make this Silver Anniversary Sale one you'll never forget, Elmcrest is sending the largest and strongest consignment in their history . . . 12 lots — 4 bulls, 8 females. The other consignors are meeting the challenge with their best also.

General Information

TIME AND LOCATION — This auction sale will be held in the comfortable sale pavilion at Elmcrest Farm, 1½ miles northeast of Pawnee, Illinois, which is 20 miles south of Springfield, Illinois, on Saturday, December 12, 1964. It is easy to ship cattle in any direction from Elmcrest Farm by truck or rail. Trains or planes will be met in Springfield if advance notice is given. Call Ralph Edge, Manager, Elmcrest Farm, Pawnee, Illinois. The phone number is Pawnee 4147. The sale will start promptly at 12 noon Central Standard Time. Lunch will be served at the farm.

SALE HEADQUARTERS — The Holiday Inn, Springfield, Illinois.

GUARANTEE — The cattle are being sold under the Standard Guarantee endorsed by the American Shorthorn Assn. A condition of this guarantee is that notification of failure to breed must be made by purchaser to the seller within six months of the date of this sale. A certificate of registry will be furnished with each animal sold. Applications for each animal sold in dam. Where footnotes appear they were furnished by the consignors or written from information supplied by the consignors.

The above guarantee shall constitute a contract between the consignor and buyer of each lot. The Sangamon District Shorthorn Assn., the sale manager, the clerks, auctioneers, helpers, assume no liability for the contract or accidents. No liability for accidents is assumed by Elmcrest Farm or any other person connected with this sale. All persons attending this cattle auction do so at their own risk.

HEALTH — The cattle are being sold under the health regulations of the State of Illinois. Except in the cases of Certified or Accredited Herds, or vaccinated animals under the minimum age, all cattle will be tested for T.B. and Bang's. Health papers will be provided. All buyers must be aware of any deviations between the rules of their states and those of Illinois.

MAIL BIDS — Those wishing to buy at this sale who cannot be present may send their bids to Don Longley or Gene McDonald, The Shorthorn World, 16 So. Locust St., Aurora, Ill., to C. D. Swaffar, Secretary, American Shorthorn Assn., 8288 Hascall Street, Omaha 7, Nebraska 68124, or to any of the auctioneers or consignors.

THE SALE MANAGER, Don Longley, 16 So. Locust St., Aurora, Illinois, was retained for specific tasks: promotional and clerical, and assumes no liability for the contract or accidents that may occur, or errors in the health charts.

AUCTIONEERS — Don Smock, Whiteland, Ind.; H. P. Miller, Danvers, Ill.; Bill Gaule, Springfield, Ill.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but reasonable assistance will be given in loading on cars or trucks in compliance with instructions from purchasers.

This sale is held under the auspices of the
Sangamon District Shorthorn Breeders' Association

These practically maintained cows are in the Ralph Bivin herd. They are typical of the quality females in the Sangamon District.

The females in this sale have a reputation to uphold. The previous sales have seen heifers sold for moderate prices and then witnessed them make wide reputations as brood cows, mothers of winning cattle and sale toppers.

People have come to expect quality in the female offering at this sale and that is what the consignors have given them, more so this year than any other in honor of the 20th anniversary of the sale.

Standard Guarantee

ENDORSED BY THE AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
